Introduction

At R2 Agile Health Services Inc., we are committed to providing compassionate and reliable home care services tailored to meet the unique needs of each client. We understand that choosing the right care provider is a crucial decision, and we are committed to delivering a high-quality, professional care that enhances the quality of life for our clients.

Our experienced team of Personal Support Workers, Registered Practical Nurses (RPN), and Registered Nurses (RN) ensures that your loved ones receive the best care in the comfort of their homes.

What We Do

Our homecare services encompass a wide range of support, including:

- 1) Personal Care:** Assistance with bathing, grooming, dressing, and medication management.
- 2) Companionship:** Engaging in conversation, accompanying clients on errands and providing emotional support.
- 3) Meal Preparation:** Planning and preparing nutritious meals based on dietary requirements.
- 4) Light Housekeeping:** Basic household chores such as laundry, cleaning, and organizing.
- 5) Transportation:** Assisting clients with medical appointments, social outings, and other activities.
- 6) Medication Management:** Ensuring medications are taken as prescribed and maintaining accurate records.
- 7) Respite Care:** Temporary relief for family caregivers to prevent burnout and ensure they have time to recharge.
